

## Quartermaster's Update

*By Harold Rodenberger*

Comrades,

December is the end of a year, but this year also marks the end of a decade. Turning this corner reminded me of the end of decades past. For people my age these are vivid memories. For young people, they are history.

At the end of 2009, we saw 17,00 more troops sent to Afghanistan, the end of the Great Recession and the death of Michael Jackson.

Twenty years ago, at the turn of the century there was the Y2K scare, the beginning of the euro and a U.S. President impeached. Thirty years ago, the fall of the Berlin Wall was the big news.

In 1979 there was the big gas shortage, the Hood Canal floating bridge that didn't, and the Seattle Supersonics winning the NBA Championship. 1969 was the year of the first moon landing and "...One giant leap for mankind".

Sixty years ago, in 1959, I joined the Army and started on the path that led to Ballard Eagleson Post. The winter of '49-'50 resulted in many low temperature records still on the books.

The years pass quickly and can only be lived once. We need to remember to make the most of our time as the years flit by.

Speaking of, members of our post have been busy doing things for others to help our post fulfil its mission. We don't have a canteen or clubroom so we do things for our community and fellow veterans instead.

Recently we visited and revisited the VA Hospital to talk with patients and distribute special snacks and drinks. Our Honor Guard was central to the recent celebration of Wreaths Around America at Lake View Cemetery. Some of our members served at the Seattle Standdown. We selected winners and gave prizes in the VFW Youth Programs Voice of Democracy, Patriot's Pen and Youth Essay contests. Our Teacher of the Year was also selected as the winner at District 2 and now goes to the judging at the state level.

**NEW DECADE cont. from pg. 2**

Our roving ambassador, Allen Schwerer, who now lives in Eastern Washington, donates time and money to VFW causes in that area. One of our local members spoke at a meeting of the Mercer Girls Chapter of the DAR during a ceremony honoring Vietnam veterans.

Around the Post Home, our Commander,

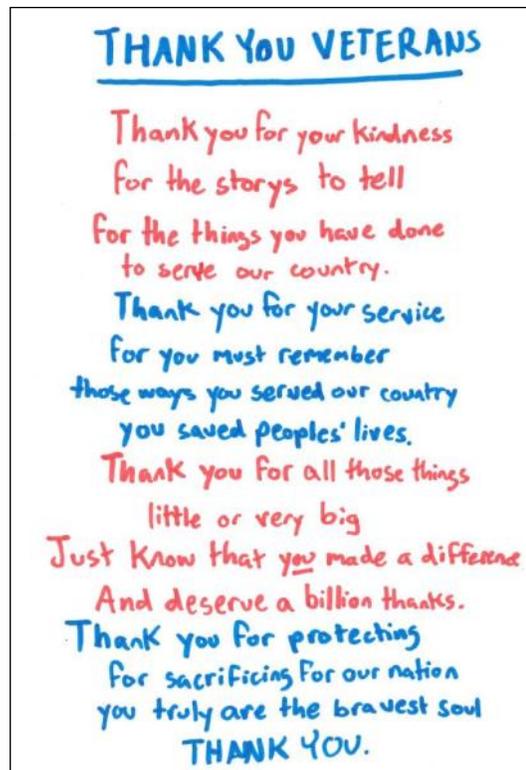

Joe Tiffany, volunteered to procure and install a new (much superior) sound system. Other officers gave of their time to perform their duties during meetings and outside the post. Many members fly the flag to honor our country and its veterans.

Looking forward to the second half of our VFW year, **we are still**

**well short of our membership goal. We value your membership, please take a minute to make sure your dues are current.**

Welcome to the new "roaring twenties" and may the coming year be kind to you and yours.

*Yours in Comradeship,*  
*Harold*

Thank you to the students in Dan Waldschmidt's classes at Hamilton Middle School for sending us Veterans Day thank you cards!

## Wreaths Across America: Remember - Honor - Teach

*One man's annual tribute to our veterans inspired a legion of volunteers who gave rise to the Wreaths Across America of today.*

*By Joe Fitzgerald, Post 3063 Color/Honor Guard Captain*

Merrill Worcester owner of Worcester Wreath Company in Harrington Maine was a 12 year old paper boy for the Bangor Daily News, when he won a trip to Washington, D.C and to Arlington National Cemetery, which left an indelible impression on him that followed him throughout his life and successful business career.

In 1992 his wreath company found that they had a surplus of wreaths left over from the holidays. Remembering his boyhood experience at Arlington he realized he had an opportunity to honor our country's veterans. With the help from Maine Senator

Olympia Snowe, arrangements were made for his wreaths to be placed at Arlington National Cemetery in one of the older sections of the cemetery that had been receiving fewer visitors with each passing year.

As plans were under way, a number of other organizations stepped up to help, including a trucking company as well as local volunteers, and the American Legion and VFW posts who helped with decorating and laying the wreaths that included a special ceremony and wreath placed at the Tomb of the Unknown Soldier.

The annual event went on quietly for several years until 2005 when a photo of the stones at Arlington adorned with the wreaths and covered in snow circulated around the internet.

Suddenly, the project received national attention.

Thousands of requests poured in from all over the country from people wanting to help with Arlington, to emulate the Arlington project at their own National and State cemeteries, or to simply share their stories and thank Merrill for honoring our nation's heroes.

In 2007, the Worcester family along with veterans and other groups who had been helping with this annual ceremony -- formed Wreaths Across America -- a non profit organization formed to continue expanding this effort.

December 2015, several members our post joined with members of the Sons of the American Revolution (SAR) to conduct the Wreaths Across America ceremony at Lake View Cemetery in the Capital Hill area of Seattle.

December 2016, Post 3063 formed an Honor Guard Rifle team. This was the first year we conducted a three gun rifle salute as part of the ceremony at Lake View cemetery.

Post 3063 Color Guard Captain Joe Fitzgerald and the Rifle team present arms while bugler Pam Wolfe plays Taps at the 2019 WAA Ceremony at Lake View Cemetery in Seattle Dec. 14.

December 2017, the Honor Guard was expanded to include a Color Guard as well, and a bugler to play taps at the ceremonies conclusion. Also added to the WAA ceremony is a two person Honor Guard salute as each Wreath is brought forward and posted on its respective stand.

Read more about WAA and the post's participation at <http://vfwseattle.org/index.php/2019/12/15/waa/>.

*The Ballard Eagleson Post 3063 Color/Honor Guard conducts various memorial and flag ceremonies throughout the year. With each new year comes additional requests for our participation and as such we are in constant need of additional members to join us and be a part of this rewarding experience. Anyone interested in becoming a member of this team can contact either me or our Post 3063 Quartermaster Harold Rodenberger.*

## A Different Kind of Unserviceable Flag Retirement

By Harold Rodenberger

As a community service, our VFW Post accepts worn and unserviceable flags for proper retirement. Frequently people drop by the office and hand us flags that are no longer fit to fly and ask us to retire them. I am always impressed with their patriotism, sincerely and concern for the flag of our country.

Two or three years ago, a man called and wanted to know if he could drop off a flag he had found in a dumpster. I assured him we would accept it and he later brought it by the hall. It turned out to be a coffin flag. He retrieved it from the dump, had it dry cleaned and brought it by folded on a hanger. When asked if I could reimburse him for the cleaning cost he refused saying that he only thought it his duty to rescue the flag and find a way to return it to ser-

vice.

In years past we have had retirement ceremonies in our parking lot where we properly disposed of the flags by burning. Last year we had complaints from the residents of the condos and apartments on the hill behind us so we stopped burning flags in our parking lot.

At the gravesite we dug a deep trench, said a few words and began placing the boxes of flags.

Over the past eighteen months we have accumulated over three hundred flags waiting for proper disposal. On Wednesday, October 16, 2019, we loaded up seven boxes of flags and took them north to my brother's farm near Blaine, WA, for burial.

For a gravesite, we selected a grassy knoll overlooking green pastures with woods on the north and a view east toward Mt Baker.
